NOTIFICATIONS BY THE GOVERNMENT OF MYSORE.

GENERAL AND REVENUE.

No. 10262—*M.* 2866, *dated* 11*th February* 1901.

The following Notification issued by the Government of India is republished.

PUBLIC.

Notification No. 510, *dated Calcutta,* 5*th February* 1901.

HIS MAJESTY THE KING, EMPEROR OF INDIA, has been pleased to send the following letter to the Princes and people of India:—

"TO THE PRINCES AND PEOPLE OF INDIA,—Through the lamented death of my beloved and dearly mourned mother I have inherited the Throne which has descended to me through a long and ancient lineage. I now desire to send my greetings to the Ruling Chiefs of the Native States, and to the inhabitants of my Indian dominions, and to assure them of my heart-felt wish for their welfare. My illustrious and lamented predecessor was the first Sovereign of this country who took upon Herself the direct administration of the affairs of India, and assumed the title of Empress in token of Her closer association with the Government of that vast country.

"In all matters connected with India the Queen-Empress displayed an unvarying deep personal interest, and I am well aware of the feeling of loyalty and affection evinced by the millions of its peoples towards Her throne and person.

"This feeling was conspicuously shown during the last year of Her long and glorious reign by the noble and patriotic assistance offered by the Ruling Princes in the South African War, and by the gallant services rendered by the Native Army beyond the limits of their own country.

"It was by Her wish, and with Her sanction, that I visited India, and made myself personally acquainted with the Ruling Chiefs, the people, and the cities of that ancient and famous Empire.

"I shall never forget the deep impressions which I then received, and I shall endeavour, following the great example of the first Queen-Empress, to work for the general well-being of my Indian subjects of all ranks, and to merit, as She did, their unfailing loyalty and affection.

(Sd.) EDWARD, R. AND I."
